PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 11/03/2021.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

3	
---	--

	<u>Special Condition #22:</u> The defendant shall abstain from the use of illegal controlled substances, and shall submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
--	---

Supporting Evidence: It is alleged that Mr. West violated the terms of his supervised release by failing to appear for a random urinalysis at Pioneer Human Services (PHS) on or about November 10, 2021.

On August 13, 2020, Mr. West was given a copy of his judgment and his conditions of supervision were explained to him. He signed his judgment reflecting he understood his conditions in full, which includes the above noted special condition number 22.

Charles West is participating in random drug testing at PHS. He is required to call the drug testing line daily to determine if he is to report for testing that same day.

On November 10, 2021, Mr. West failed to appear for a urinalysis at PHS. He later indicated he was ill and did not believe PHS would allow him to test as a result.
